### § 1430.503 Time and method for application.

(a) Dairy operations may obtain an application, Form CCC-1040 (Dairy Market Loss Assistance Program Payment Application), in person, by mail, by telephone, or by facsimile from any county FSA office. In addition, applicants may download a copy of the CCC-1040 at <http://www.fsa.usda.gov/daftp/psd/>.

(b) A request for benefits under this subpart must be submitted on a completed Form CCC-1040. The Form CCC-1040 should be submitted to the county FSA office serving the county where the dairy operation is located but, in any case, must be received by the county FSA office by the close of business on February 28, 2001. Applications not received by the close of business on February 28, 2001, will be disapproved as not having been timely filed and the dairy operation will not be eligible for benefits under this program.

(c) All persons who share in the milk production of a dairy operation that marketed milk during the fourth quarter of 1998 must certify on the same CCC-1040 in order to obtain the total milk production of the dairy operation before the application is complete.

(d) The dairy operation requesting benefits under this subpart must certify with respect to the accuracy and truthfulness of the information provided in their application for benefits.

#### **§ 1430.504**

All information provided is subject to verification and spot checks by CCC. Refusal to allow CCC or any other agency of the Department of Agriculture to verify any information provided will result in a determination of ineligibility. Data furnished by the applicant will be used to determine eligibility for program benefits. Furnishing the data is voluntary; however, without it program benefits will not be approved. Providing a false certification to the Government is punishable by imprisonment, fines and other penalties.

#### **§ 1430.504 Eligibility.**

(a) To be eligible to receive cash payments under this subpart, a dairy operation must:

(1) Have produced and marketed milk commercially in the United States anytime during the fourth quarter of 1998;

(2) Indicate all milk commercially marketed by all persons in the dairy operation during calendar year 1997 and 1998 to establish the base period for determining the total pounds of milk that will be converted to hundred-weight (cwt) used for payment; and

(3) Apply for payments during the application period.

(b) A dairy operation must submit a timely application and comply with all other terms and conditions of this subpart and those that are otherwise contained in the application to be eligible for benefits under this subpart.

#### **§ 1430.505 Proof of production.**

(a) Dairy operations selected for spotchecks by CCC must, in accordance with instructions issued by the Deputy Administrator, provide adequate proof that the dairy operation was commercially marketing milk anytime during the fourth quarter of 1998. The dairy operation must also provide proof of production for the 1997 or 1998 calendar year to verify the base period. The documentary evidence of milk production claimed for payment shall be reported to CCC together with any supporting documentation under paragraph (b) of this section. The pounds of 1997 or 1998

#### **7 CFR Ch. XIV (1-1-14 Edition)**

calendar year milk production must be documented using actual records.

(b) All persons involved in such dairy operation marketing milk during the fourth quarter of 1998 shall provide any available supporting documents to assist the county FSA office in verifying that the dairy operation produced and marketed milk commercially during the fourth quarter of 1998 and the base period milk marketings indicated on Form CCC-1040. Examples of supporting documentation include, but are not limited to: tank records, milk handler records, milk marketing payment stubs, daily milk marketings, copies of any payments received as compensation from other sources, or any other documents available to confirm the production and production history of the dairy operation. In the event that supporting documentation is not presented to the county FSA office requesting the information, dairy operations will be determined ineligible for benefits.

#### **§ 1430.506 Payment rate and dairy operation payment.**

(a) Payments under this subpart may be made to dairy operations only on the first 26,000 cwt of milk produced by them from cows in the United States actually marketed in the United States during the base period. A payment rate will be determined after the conclusion of the application period, and shall be calculated by:

(1) Converting whole pounds of milk to cwt;

(2) Totaling the eligible cwt (not to exceed 26,000 cwt) of milk marketed commercially during the base period from all approved applications; and

(3) Dividing the amount available for Dairy Market Loss Assistance Program by the total eligible cwt submitted and approved for payment.

(b) Each dairy operation payment will be calculated by multiplying the payment rate determined in paragraph (a) (3) of this section by the dairy operation's eligible production.

(c) In the event that approval of all eligible applications would result in expenditures in excess of the amount available, CCC shall reduce the payment rate in such manner as CCC, in
